

# hello there,

my name is **Nathan Romero** and this is my resume.

1885 Diamond st #2-204 - San Diego, CA 92109 | (619) 948-2115 | nathan89@gmail.com | [nathanromero.com](http://nathanromero.com)

## SUMMARY

Problem solver by nature, designer by trade. With more than four years of working experience in design, Nathan is a California-based creative with the ability to develop and implement effective design solutions.

## RELEVANT WORK EXPERIENCE

### **2011 - Present :** Truck Covers USA - San Diego, CA - *Freelance Graphic Designer*

Developed a clean, functional look for the Truck Covers USA brand. Implemented this new look in the design and layout of the company's product brochures, tri-folds and magazine advertisements.

### **2009 - Present :** A.S. Graphic Studio - La Jolla, CA - *Graphic Artist*

Worked with clients on a one-on-one basis from conceptualization to completion of projects. Responsible for the production of a wide array of both print and digital media. Projects included concert posters, large format banners & signage, apparel design and online promotion through a variety of digital mediums. Specialized in branding and identity.

### **2008 - 2009 :** Venice Basketball League - Los Angeles, CA - *Lead Graphic Designer*

Developed brand and identity for summer basketball league based out of Venice Beach, CA. Projects included jersey and apparel design, logo design, production of promotional rave cards and website design.

## EDUCATION

### **2007 - 2011:** University of California, San Diego - La Jolla, CA

Bachelor's Degree - Cognitive Science

### **2004 - 2007:** Otay Ranch High School - Chula Vista, CA

## SKILLS

Adept in both digital and print design. Intimate knowledge of the Adobe Creative Suite particularly with Illustrator, InDesign and Photoshop. Proficient in both HTML and CSS with the ability to design and code functional websites. Familiar with a variety of social media platforms.

# thanks.
